

Ice Seal Recovery Planning

Develop: Recovery plans for Arctic ringed seals and Beringia distinct population segment bearded seals

Why: Recovery plans are required for species listed under the Endangered Species Act (ESA) to guide recovery actions and efforts

Who: NOAA Fisheries will work closely with the Ice Seal Committee and other partners (e.g., subsistence hunters and resource users, State of Alaska)

How: A multi-day recovery workshop with NOAA Fisheries, Ice Seal Committee, and other interested parties

When & Where: January 23-24, 2025
Thursday- Friday, 8:30 am until 4:30 pm
BP Energy Center
1014 Energy Ct, Anchorage, AK
